# Pace Sleeve for 10.2” Netbook

Bags that Work at Your Pace

**Part # F8N502cw**

**Bags that Work at Your Pace**

**Protection You Can Handle**
Fashionably professional on the outside, padded protection on the inside. Make a statement with the Pace Sleeve at your next meeting.

**Slim Design and Textured Grip**
A water-resistant waxed canvas exterior protects your netbook from the elements, while the grooved, textured grip fits securely in your hand. The soft, extra-padded interior is scratch-resistant and provides impact protection. Compact design allows for placement inside a larger carrying bag or suitcase.

**Limited Lifetime Warranty.**
